Community Sport Volunteer Grant Application Form

Employees and retirees

Bell Canada is proud to partner with the True Sport Foundation (TSF) to offer Bell employees and retirees an opportunity to recognize their volunteer time in community sport. Bell's Community Sport Volunteer Grant Program is a leading example of Bell's commitment to encouraging volunteerism in sport. The program is administered by Bell's Community Investment team in partnership with TSF. Employees/retirees may apply for an individual grant as soon as they have accumulated 50 hours of volunteer work for an eligible community sport group in the current calendar year. Teams must volunteer a minimum of 500 hours (250 hours must be completed by at least two Bell employees and/or retirees). For individual applicants, the maximum grant is \$500 for active employees and \$250 for retirees. For team applications, the maximum grant is \$2,500 for active employees or retirees. The maximum total grant per year per organization is \$2,500.
